

# A Day At The SC Pecan Music & Food Festival *For The Kids*

## Start Your Day In Our Free Kids Fun Zone

Located in front of the FMU PAC, our Kids Fun Zone features a petting zoo, inflatables, games, arts & crafts, and kid-friendly entertainment on the lawn and at the Amphitheater. Let the kid(s) experience as much as they want because these activities are 100% free! Open from 10:00am to 4:30pm.

## Full Steam Ahead To Our STE(A)M Zone

If you have some tweens or teens with you, let them check out our STE(A)M Zone. Located right by the Kids Zone in front of the PAC, this area has immersive demonstrations, information on future potential STE(A)M careers, and hands-on activities. Open from 10:00am to 4:30pm.

## Feast On Your Favorite Festival Food

Ready to take a break to grab something to eat? We have food vendors throughout the festival that have all your favorite festival food, or if you need somewhere to sit down and eat, the eateries in Downtown Florence are just a short walk away from any area of the festival.

## Create A Work Of Chalk Art On Evans St

While you're waiting for your food to digest, head over to Hotel Florence to check out our Arts on Evans area. If you're feeling artistic, you can either enter the Chalk Art Contest or just have fun doodling some designs. The chalk area is open from 10:00am to 3:00pm.

## Catch A Ride Before You End Your Day

Before you head out for the day, don't forget to enjoy a ride or two on our amusement park rides for all ages. Located on Irby St by the Main Stage, these rides, plus the pony rides in the festival, do require paid admission. Open from 10:00am to 7:00pm.
